

Ireland WASTE MANAGEMENT ACT 1996

As self-complying producer of EEE, we undertake to finance the management of WEEE arising unless an alternative arrangement has been agreed at the time of purchase. For more information on the provisions made for the management of WEEE, please contact our offices. If your existing equipment was bought prior to 2005 and you are replacing the equipment with new equipment supplied by us, we will take back your old equipment free of charge and dispose of it in an environmentally appropriate manner."

WEEE can contain hazardous components. Do not dispose of WEEE in your bin. Send it for safe disposal.

A report specifying the steps taken by Nikon Metrology for the purpose of recovering waste electrical and electronic equipment is available to be sent by post, fax, or electronic mail.
